

Ossineke Township Planning Commission Meeting

April 19, 2018

Present:

Denise Schultz  
Ewald Sommerfield  
Kevin Grulke  
Lora Cramer

Absent: Michael Single

Citizens in attendance: Randy Fairbanks

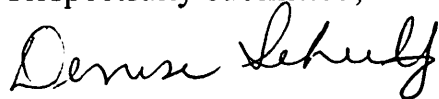

The minutes from the last meeting were read. Cramer made a motion to approve the minutes, Grulke seconded. Minutes accepted.

The board discussed a ordinance for Solar Energy Facilities. Cramer was concerned about a time frame of when the facility was set and when it would go into operation. Schultz thought there should be a minimum acreage for these facilities. The board agreed. The acreage amount was not determined. The board has decided to have solar panels at least 100 feet from any residence. Schultz is going to check with MTA to see if Solar Energy Facilities are a Hot Topic right now. Cramer is going to call Alpena Power to see what their thoughts are on this matter. Randy Fairbanks is going to check with the Alpena County Airport/Alpena CRTC on the aviation protection.

Next meeting will be on Thursday, May 24, 2018.

Motion was made by Cramer at 7:50 PM to adjourn the meeting, seconded by Grulke. Meeting adjourned.

Respectfully submitted,

Denise Schultz
