

Ossineke Township Planning Commission Meeting

January 8, 2025

Present:

Denise Schultz  
Kevin Grulke  
Tim Wade  
Amy Roznowski  
Victor Patzer

Citizens in attendance: Randy Fairbanks.

Call to order: Grulke called the meeting to order at 7:00 PM

Pledge of Allegiance was conducted.

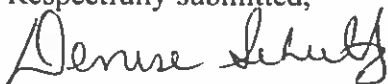

Schultz read the minutes of last meeting on December 3, 2024. Roznowski made a motion to accept the minutes, Wade seconded. Motion carried.

Reviewed Caledonia Township and Green Township Ordinances on Short Term rentals. Roznowski stated that she doesn't really see a reason for a Short-Term rental ordinance being everything that is on the reviewed ordinance is already in our zoning ordinances. Fairbanks stated that at MTA meetings they say that most problems with short term rentals are on the west side of the state. Most Airbnb and Vrbo rentals are on the lake which Ossineke Township only has part of Beaver Lake in their township. Board decided at this time to table the doing anything with the Short-Term Rental ordinance at this time.

Fairbanks brought to the boards attention that there is a Renewable Energy Academy Workshop on January 29, 2025 at Treetops Resort in Gaylord. If anyone is interested in going, let Schultz know by Monday, January 13, 2025 to get approved at the meeting.

Motion was made by Schultz to adjourn at 7:45, seconded by Roznowski. Meeting adjourned.

Respectfully submitted,

Denise Schultz
